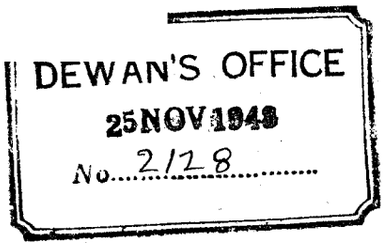
NOTE

Dated 23rd November *1948*.



Dr. Miss Captain, M.D.B.S.(Lond.), D.T.M.& H.(Eng.), L.M.(Dublin), Medical Officer, Vani Vilas Hospital, Bangalore, has recently been given a pay of Rs.900/- in grade Rs.800-50-1000. She submits that her case may be reconsidered and her pay fixed at Rs.1000/-, the maximum in the grade, as the present fixation of her pay at Rs.900/- will not help her in securing maximu pension. It appears that according to rules she cannot draw the maximum as the remaining period of her service to her credit is less than three years. She has been a zealous officer. She was twice disappointed in reaching a higher rank as Dr. Miss Albuquerque's term was extended twice and the post of the Chief Medical Officer was abolished on her superannuation. In the circumstances, it is fair that she be given the maximum pay.

-:oOo:-

While expressing my deep gratitude to benign Government for having very kindly given me a special grade and fixing my pay at Rs.900/- in grade 800-50-1000 in Government Order No.M.6599-601/Med. 60-48-2 dated 18-10-48, I have the honour to submit the following, as my grievance has not been fully redressed.

I joined the Mysore Medical Department in the year 1929 with the highest academic qualifications, on a salary of Rs.450/- plus 90/- per month. I have now put in a loyal and devoted service of 20 years. With my qualifications and zealous service, I expected to move on to highest posts and pay in the Department unhindered. But it has proved otherwise. I had to stagnate on Rs.700/- for six years at one stage, and again on Rs.750/- for nearly four years. On a review of the progress of my salary it would be seen that the total increase after a service of 20 years is but Rs.200/- in all. Added to this, when I was due for promotion on Dr. Miss. Albuquerque reaching the age of superanuation as the Chief Medical Officer, Women's Hospitals, she was given an extension of Service for 2 years. Subsequently to my misfortunxe after she finally retired, the post of the Chief Medival Officer itself was abolished, thus bringing the cup of my disappointment full to its brim. It is clear from all these facts how I have suffered in my progress unexpectedly.

I attain the age of supernuation in 3½ years. A ccording to the present grade sanctioned by Government, it will take another 2 years to reach the maximum and it would make a substantial difference in the amount of pension I would be entitled to, if I do not draw the maximum pay from now. In view of the short service I have and the several disappointments I have had in the past, I request you kindly to move the benign Government to reconsider my case a nd fix my pay at Rs.1000/-, the maximum in the grade which they have so graciously sanctioned for me. I would consider this a great consolation for the disappointments I had so far and remain ever grateful.

Yours faithfully,

Sd/- K. S. Captain.
Medical Officer.

Final note by the Minister for Public Health and Excise.

Subject - Proposal to grant higher pay to certain officers of the Medical Department.

---

1) With the gracious approval of His Highness, Dr. Miss Captain was appointed Medical Officer of the Vani Vilas Hospital, Bangalore on a salary of Rs.900/- a month in the scale Rs.800-50-1000.

2) The Director of Hospitals has forwarded the representation of Dr. Miss Captain for a reconsideration of the orders passed by Government and to fix her pay at Rs.1,000/- per mensem and also recommended the grant of a consolidated pay of Rs.1,000/- to her.

When the file was put up to me, I minuted as follows:-

"Dr. Miss Captain, Medical Officer, Vani Vilas Hospital, Bangalore, has recently been given a pay of Rs.900/- in grade Rs.800-50-1000. She submits that her case may be reconsidered and her pay fixed at Rs.1000/-, the maximum of the grade, as the present fixation of her pay at Rs.900/- will not help her in securing the maximum pension. It appears that according to rules she cannot draw the maximum as the remaining period of her service to her credit is less than three years. She has been a zealous officer. She was twice disappointed in reaching a higher rank as Dr. Miss Albuquerque's term was extended twice and the post of the Chief Medical Officer was abolished on her superannuation. In the circumstances, it is fair that she be given the maximum pay."

3) Sri. N.A. Iyengar, Medical Officer, Victoria Hospital, Bangalore has been drawing a pay of Rs.800/- per mensem in the grade Rs.500-30-800, with effect from 13th October 1948. He is the senior-most officer in the cadre of Surgeons. He has been in charge of the Victoria Hospital, Bangalore, one of the premier institutions in the State. He attained the age of superannuation on 31st March 1949 and has been granted extension of service for one year which will expire on 30th March 1950. His is also a hard case and some consideration has to be shown in his case also.

4) This matter was considered at a meeting of the Council held on 25th May 1949 when the following resolution was recorded:-

"Council is of opinion that Dr. N.A. Iyengar and Miss Captain may be granted a pay of Rs.1,000/- a month from 1st June 1949. This will be personal to the two officers."

5) I solicit the gracious approval of His Highness to the resolution of the Council.

Sir,

Sub: Increasing the pay of Miss.K.S.Captain, Medical Officer, Vani Vilas Hospital.

In submitting herewith the representation of Miss.K.S.Captai Surgeon, doing duty as Medical Officer, Vani Vilas Hospital, Bangalo praying that she may be given a pay of Rs 1000/- plus a duty allowanc of Rs 100/- per mensem, I have the honour to state that Vani Vilas Hospial is the largest Maternity Hospital in the State involving a great deal of responsibility in addition to heavy professional wor

The pay of the Superintendent, Bowring and Lady Curzon Hospitals, and the Medical Officer, Krishnarajendra Hospital has recently been fixed at Rs 750/-50-1000 in addition to a charge allowa of Rs 100/- per mensem.

Miss.Captain has put in 19 years of service and has held very important posts during this period. In view of the enormous respons bility attached to the biggest Women's Hospitals in the State and the proposed abolition of the post of the Chief Medical Officer, for which this Officer is eligible, and taking into consideration that she has only about four years of service for supernuation, I recommend that Miss.Captain be given a consolidated pay of Rs 1000/- per mensem from the date she assumed charge as Medical Officer, Vani Vilas Hospital.

To

The Honorary Surgeon and
Director of Hospitals in Bangalore,
University Medical School,
Bangalore.

Sir,

In continuation of my letters No.214 dated 14/15-10-46 and 14-10-1947 submitting my representation for the consideration of Government for revision of my salary to Rs.1,000/- in view of my high academic qualifications and seniority in service, I have the honour to state that no orders have yet been received in the matter.

As already stated in my previous representation, I joined the Mysore Medical Service on 2-9-1929 on a salary of Rs.550/- (Rs.460 plus Rs.90 P.A. absorbable) in the grade of Rs.400-700. I reached the maximum of the grade on 2-9-1938 and continued to draw the same salary for over 6 years. On 13-12-1944, I was given an increment of Rs.50/- on the retirement of a First Class Surgeon in the previous year. It will thus be seen that I have received a total increment of Rs.200/- only during my total period of service of almost 20 years.

Since 8-7-1948, I have been posted as Medical Officer of the Vani Vilas Hospital of 492 beds, the largest Hospital in the Mysore State and probably the largest Women's Hospital in the whole of India. The previous Medical Officer who was also the Chief Medical Officer was drawing a salary of Rs.1,400/- almost double my present salary. In view of the heavy responsibilities that devolve on me as Medical Officer of this large institution, I once again request Government to consider my case sympathetically and grant me salary of Rs.1,000/- per month from 13-12-1946, the date on which I reached Rs.750/- in the old grade. Taking into consideration that I shall have reached the age of retirement in less than 4 years I hope that my request will be granted.

1 M.H

I also request that I may be permitted to draw a duty allowance of Rs.100/- per month as in the case of the Medical Officers of the other major institutions of the state such as the Krishnarajendra, Victoria, Minto Opthalmic, Mental, Bowring and Lady Curzon Hospitals and the P.K. Sanatorium. Copies of my two representation already submitted are herewith enclosed for ready reference.

I have the honour to be
